Your edits all look good to me. I didn't see anything else that needs to be changed.

Thanks,  
Erika

**Subject:** final draft settlement with SRC

Hi Erika,

I'm working on the concurrence package for EPA and confirmed the last version of the draft with those emailed back and forth with SRC. It is attached, with all tracked changes accepted, and I was able to remove the random code on the front page footer that Ken inserted a while ago. I'm working on the attachments and will send those along a little later today.
